Overview

Who says you can't have your cake and eat it too? Be the envy of the campsite with a new ARB Zero Dual-Zone Fridge Freezer, serving drinks AND ice cream at the same time! Whether you're a weekend warrior or long-term remote traveller, ARB has the perfect solution to keep your food, drinks, and frozen goods sorted.

It's all about the convenience; customizing installations to suit individual configurations is a breeze with the new Zero range. Quick-release lids, DC-power inlets front and rear, AC power conveniently positioned on the front for a quick connection, even pouring a drink is easy with the anti-slip lid inserts that have a provision for your glass and bottle. No need to worry about your mobile phone going dead, the Zero Fridge will look after that too via the easy access 3000ma USB-charge point right next to the display – we thought of everything!

Packed full of features and customized options, these durable-looking new fridges are a must-have for your next off-road adventure.
